# Price Hike on Press Release Packages from 6th April 2020

**Press Release Prices will increase from 6th April 2020**

Dear Partners,

This is to inform you that there will be a price hike which varies upon the news channels. We request you to kindly inform the same to your clients.

This is a minor hike which varies between 10-12%. New prices will be effective from 6th of April 2020.

The price increase is minimal, and something we must do in order to continue to provide you the quality you have come to expect. We ensure that even after an increase in price, we will be the most affordable news distribution company in India.
